About Scriptures

We believe the Scriptures of the Old and New Testaments were written by men in such a way that God is truly and actually the author. God caused words to be spoken by the mouth of, and written in the writings of certain men so that those words are inspired of God. Scripture is God's Word!

For no prophecy was ever produced by the will of man, but men spoke from God as they were carried along by the Holy Spirit.

- 2 Peter 1:21 (ESV)

whom heaven must receive until the time for restoring all the things about which God spoke by the mouth of his holy prophets long ago.

- Acts 3:21 (ESV)
